- **Space:Maker Softclose™** represents a variation of the Australian Good Design Award® winning **Space:Maker Softline™** Sliding Wardrobe Door System.

Exceptional Value

Indulge your imagination and create an absolute premium wardrobe design at a surprisingly affordable price.

Whisper Quiet Roller Operation

Large 41mm diameter roller housed in a strong galvanised metal adjustable bracket, ensures ample roller adjustment and whisper quiet operation at all times. Open design and construction reduces dust accumulation and enables easy cleaning.

Panel Variety

Space:Maker Softclose™ is available in clear or tinted anti-shatter safety backed mirror panels and coloured safety glass. A wide range of acrylic, wood grain and vinyl finishes are also available. Plain panels for painting or wallpapering are an alternative for the do-it-yourself enthusiast.

Obligation-free measure & quote Please call for an obligation-free measure and quote, and also ask for details on matching:

Available from:

Contemporary Square Appearance

Contemporary square minimalist design which incorporates matching infill buffer has produced a contemporary grip stile which eliminates metal-to-metal contact giving **Space:Maker Softclose™** instant aesthetic appeal.

Design Flexibility

Made to suit your individual requirements.

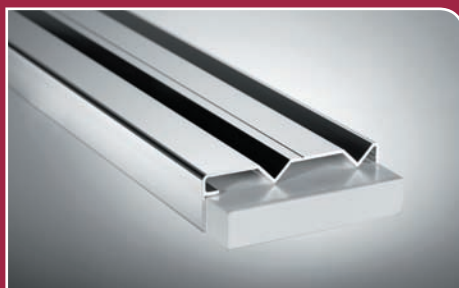

Space:Maker Softclose™ wardrobes are suitable for wall to wall, freestanding or corner return installations. Constructed from the highest quality Australian made aluminium extrusions, **Space:Maker Softclose™** is designed to suit most situations and ceiling heights up to three metres.

Safety

Space:Maker Softclose™ enhances safety with its effortless self-closing action preventing doors from slamming. The **Space:Maker Softclose™** Sliding Wardrobe Door System is glazed to comply with the requirements of Australian Standards AS1288 and or AS2208.

Low Profile Bottom Track

Space:Maker Softclose™ features a foot friendly, unobtrusive, low profile v-groove bottom track which is easy to clean.

Innovative Softclose Mechanism

A self-closing sliding wardrobe door is now a reality. The unique Design Registered, fully integrated Softclose mechanism ensures a seamless quiet and effortless self-closing operation.

Secure Rattle Free Operation

The design registered Softclose mechanism featured in **Space:Maker Softclose™** is housed on a pressed galvanised metal angle bracket, ensuring perfect alignment and structurally secure wardrobe door panels. Silicone rollers and self-locating mechanism combine for rattle free, seamless and precise operation at all times.

Product Guarantee

Space:Maker Softclose™ frames carry a 10 year guarantee when used under normal operating conditions.
